In Re: Name Change for PurePacket Communications of the South, Inc., Company ID
128540

Dear Mr. Waddell:

I am writing to provide formal notice that effective September 19, 2000, the name for PurePacket Communications of the South, Inc. ("PurePacket"), a Delaware corporation, has been changed to BroadRiver Communication Corporation ("The Company"). The Tennessee Regulatory Authority granted PurePacket a certificate of public convenience and necessity ("CPN") on July 19, 2000, Docket #00-00169. Please change the name on the PurePacket CPN to reflect the new corporate name, BroadRiver Communication Corporation.

The Company implemented the name change at this time across all of the PurePacket Communications corporate entities due to trademark licensing issues. The Company was licensing the name "PurePacket Communications" from Integral Access, Inc., a previous strategic partner that manufactured telecommunications equipment. For business reasons, the Company determined that it was imperative to operate under a company-owned trademark, rather than one maintained through a licensing agreement, and, accordingly, selected and registered the name BroadRiver Communications.

The Company is currently certified to offer telecommunications services in 10 states with 4 additional pending applications. Currently, the Company does not offer service to any customers, thereby avoiding any potential customer confusion in the marketplace.

I have included thirteen (13) copies of the: i) Letter Requesting Corporate Name Change, and ii) Certification of Name Change issued by the Office of the Secretary of State in the State of

Delaware. Also, included is a check for \$25.00 made payable to "Tennessee Regulatory Authority".

If this name change filing is deficient in any way or if you have questions, please contact me. Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script, reading "Michael J. Huebner".
